

**Lobo Family Message**  
**September, 2024**

**At Lobo, ALL students achieve at high levels!**

Dear Lobo Families,

The 2024-2025 school year is off to a great start! Strong relationships are being built both in and out of the classrooms. This year the family message will be sent out monthly, rather than weekly. As things come up throughout the month, I will send out brief messages and reminders. Another change this year is our return to Friday Flag Assemblies. These assemblies will take place at 7:45 am the first Friday morning of each month. We hope to incorporate staff and student recognition during the assemblies.

It is my pleasure to be the principal of your child(ren) this year!

Principal Coy
